

## QUALITY ASSURANCE POLICY

The role of Quality Assurance policy is to ensure **all** pupils receive a high-quality education throughout their time in nursery.

### **Aims**

- The nursery will ensure that its pupils receive a high standard of education that meets or exceeds the needs and expectations of interested parties.
- The standard of education provided, and the methods of its deployment will be consistent and effective throughout the nursery and have at their core, the values of raising the aspirations and achievements of its pupils.
- The nursery will provide a coherent structure for monitoring, evaluating and reviewing standards across the nursery.

### **Responsibilities**

All members of staff have a responsibility for ensuring pupils receive an education of the highest quality. However, some staff have specific responsibilities for aspects of quality assurance as set out below.

#### Governors

- The Governing Body is expected to hold the nursery to account for both its statutory and non-statutory obligations.
- One purpose of quality assurance is to inform the governing body about the performance of the nursery and its strengths and weaknesses.
- This enables Governors to participate fully in the strategic thinking and planning of the nursery.
- Governors are informed of the outcomes of quality assurance through regular reports to the full governing body and its various sub-committees.

#### Manager

- The Manager is accountable to the governors for ensuring that all areas of the nursery are engaged in systematic and rigorous quality assurance and self-evaluation.
- The Head teacher will use the outcomes of nursery and team self-evaluation together with external evaluations to identify areas of strength and weakness and plan for future nursery improvement.

Also, the Manager will regularly organise moderation, observation and performance reviews for all staff.

### Manager

- The Deputy Manager is accountable to the Manager for setting up and maintaining systems for quality assurance.
- Each member of staff is accountable to the Manager for QA in the areas for which they have strategic responsibility. The role includes reviewing progress on improvement plans, evaluating and analysing the standards reached and setting targets for future improvement.
